

## Making a Difference in MY World School Contest

### First Grade: SAILOR'S HAT

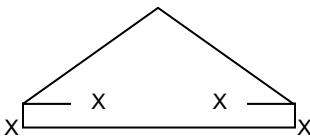

Supplies: Newspaper and scotch tape

- (1) Open one sheet of newspaper to inside facing pages.
- (2) Fold it lengthwise.
- (3) Fold again bringing the top of the newspaper to the bottom so that the fold remains at the top.
- (4) Fold the upper corners into the middle half way down to form a point at the top.

- (5) Working from the bottom of the pages, fold the top sheet up to the bottom of the triangle. Then fold that in half again extending over the bottom edge of the triangle. Turn the hat over and repeat these two steps.

- (6) Secure the rim of the hat with small pieces of tape (X) on each side OR use one piece of tape on each end to secure one side to the other.
