Organic Chocolate Tasting at the ELC

Wabasso Island, Fl – Just in time for Valentine’s Day, The Environmental Learning Center is conducting an organic chocolate tasting at 5 PM on Tuesday, February 8, 2011. This green living workshop demonstrates one small way we can live a more environmentally friendly lifestyle. Buying organic chocolate, made from cocoa beans grown in South America without the use of pesticides or chemical fertilizer, supports this environmentally sound farming practice and encourages biodiversity.

Gina Battle, from the local chocolate boutique, “Faith, Hope and Chocolate,” will be conducting the tasting at the Environmental Learning Center. The cost for the chocolate tasting is \$30 per adult or \$ 27 per ELC member. Reservations are required. Please call (772) 589-5050 to make them.

The Environmental Learning Center is located north of Vero Beach, off County road 510 at the end of the Wabasso Bridge. Its 64-acre island campus includes exhibit areas, native plant gardens, picnic facilities, gift shop, and visitor center. Admission is \$5 per non-member with children 12 and under free. A list of its many field excursions, including hikes, boat excursions, nature walks and bird watching can be found at www.DiscoverELC.org., or by calling (772) 589-5050 for a schedule to be mailed.
